

# Noah's Ark WA

## Development through play

- Toy library for children with additional needs
- Professional advice on play & development
- Connecting families

**Noah's Ark WA is a unique service that connects families, therapists and educators with toys, resources and information to support play and development.**

---

Our professional staff provide advice on how to optimise learning through play. Support is provided to select resources that link a child's goals and interests and encourages families to incorporate play into everyday routines.

Library memberships offer access to a wide range of toys, games, play equipment and specialist resources to support the development of a range of skills, including: **fine & gross motor, language, literacy, numeracy, concepts, sensory, communication and switch access.**

### **Our members include:**

- Families of children with additional developmental needs
- Therapists
- Schools, teachers and early childhood educators

### **Opening Hours**

<b>Tuesday</b>	9:30am – 1:30pm
<b>Wednesday</b>	9:30am – 1:30pm
