Parking and Access

The Independent Living Centre Cockburn Office can be accessed by all users from either the Wentworth Parade underground carpark, where there is ample parking space, or from the external Wentworth Parade entrance.

In the underground carpark there are two ACROD parking places, bay numbers 5 and 6, which are next to the internal lift. **Please note that Maxi Taxi's are too tall to access the undercover parking.*

There is external access via Wentworth Parade where there is a platform wheelchair lift and stairs. At this entrance there is an ACROD parking place for one car; drop off here is also possible. Alternatively access can be gained from the rear of the building where there is a ramp.

Non ACROD parking bays are situated behind McDonalds adjacent to the Cockburn Youth Centre.
